

## Gyanmanjari International Conference on Research & Innovation

# GM – ICON — 2026 —

**24–25 APRIL 2026**

**HYBRID MODE**

**“INNOVATION FOR A SUSTAINABLE FUTURE”**

Organized By

**GYANMANJARI INNOVATIVE  
UNIVERSITY (GMIU)  
AND  
GYANMAJARI RESEARCH &  
DEVELOPMENT CELL (GMRDC)**

## CONFERENCE THEMES

The conference invites original research papers, reviews, case studies and Poster Presentations in emerging areas of Energy, AI, Applied Science Electric Vehicles, and Transmission for Sustainable Development.

### Engineering & Technology (Day 1)

- Sustainable Infrastructure & Smart Cities
- Advanced Construction Materials
- Manufacturing, Automation & Industry 5.0
- Green Technology & Renewable Energy
- Artificial Intelligence & Machine Learning
- IoT & Smart Systems
- Power Systems, Energy Storage & Electric Vehicles
- Biotechnology for Environmental Sustainability

### Science & Pharmacy (Day 2)

- Sustainable Chemistry & Green Technology
- Nanotechnology & Material Science
- Advanced Analytical Techniques
- Applied & Pure Mathematics
- Environmental Microbiology & Biotechnology
- Bioinformatics & Computational Biology
- Food Processing Technologies
- Pharmaceutical Care, Formulations & Patient Safety
- Edible Vaccines & Medical Biotechnology

### General Cross-Disciplinary Themes

- Sustainability and Innovation
- Health and Wellness in a Globalized World
- Artificial Intelligence and Human Society
- Cultural Exchange and Interdisciplinary Dialogue

**Tracks are not limited to above listed topics only.**

## IMPORTANT DATES & SUBMISSION GUIDELINES

## ABOUT GMIU

Gyanmanjari Innovative University (GMIU) is committed to academic excellence, research advancement, and student's holistic development. GMIU empowers students to become ethical, innovative, and capable professionals ready to meet global challenges. Through interdisciplinary learning and a strong research culture, GMIU strives to contribute meaningfully to society and nation-building.

## ABOUT THE CONFERENCE

GM - ICON 2026 is a premier two-day multidisciplinary hub designed to bring together global experts, researchers, and students. Our mission is to explore the evolving landscape of global innovation, bridging diverse domains to shape a sustainable future through knowledge exchange and high-impact collaboration.

## ABOUT BHAVANAGAR

Bhavnagar, known as "Sanskari Nagari" (City of Culture), was founded in 1723 by Maharaja Bhavsinhji Gohil. It is a historic maritime center and a cradle for Gujarati literature, being the home of legends like Jhaverchand Meghani and Kavi Kant. The city is globally recognized for its diamond-cutting industry, the Alang ship-breaking yard, and traditional beadwork. Culturally vibrant, it is famous for its royal architecture, such as the Takhteshwar Temple, and its iconic street food, specifically Bhavnagari Gathiya and Bateta Bhungala. Today, it remains a pioneer in education and trade, blending deep-rooted heritage with progressive growth.
